Brian.Gold@afslaw.com

Brian focuses on patent litigation, including district court litigation and Section 337 investigations before the United States International Trade Commission.

Mr. Gold has experience with a wide array of technologies, including pharmaceuticals, lithium battery materials, cell phones, electronic toll collection using RFID, digital two-way radios, and consumer HVAC.

Mr. Gold received his J.D. with highest honors and as a member of the Order of the Coif from The George Washington University Law School in 2014, where he was an Executive Editor of the George Washington University Law Review. Mr. Gold graduated from Duke University in 2011 with a B.S. in Chemistry with a biochemistry focus and minors in Biology and Political Science.

Previous Work

Prior to joining ArentFox Schiff, Brian served as a patent litigation associate at a large international law firm and at a national law firm. While in law school, Brian was an intern for Administrative Law Judge Pender at the International Trade Commission and Judge O'Malley at the U.S. Court of Appeals for the Federal Circuit.
