Saukshmya specializes in intellectual property litigation, comprehensive evaluations, and advisory services. Her experience covers diverse technological fields such as pharmaceuticals, biotechnology, medical devices, telecommunications, and mechanical systems. She has a background in guiding both global and Indian corporations in complex legal disputes within the Indian judiciary across various sectors, including pharmaceuticals, sustainable energy, fast-moving consumer goods, and hospitality.

Saukshmya has managed litigation from pre-suit investigation to trial, including complex discovery, brief drafting, and pre-trial preparation. Her trial experience includes examining witnesses and drafting *Daubert* and *in limine* motions.
