In addition, Mike routinely advises clients on public company disclosure and compliance, executive compensation, stock plan design and administration, and technology contracting and licensing. He focuses on early-stage through middle-market technology and services companies in the software, consulting, manufacturing, media, and healthcare industries.

Client Work

- Advised numerous technology entrepreneurs in the formation, financing, operation, and eventual sale of their early-stage businesses.
- Advised BrandMuscle, Inc., a SaaS marketing solutions company, throughout its life cycle: from founding through venture financing to private equity sale.
- Assisted Revenue Solutions, Inc., an IT consulting firm, in submitting winning RFP bids and negotiating over $1 billion of state and local government contracts nationwide, through its eventual sale.
- Represented private equity funds and university endowments in forming “funds of funds” and acquiring or liquidating billions in venture capital, buyout, hedge, natural resource, and other private equity funds.
- Represented The Holmes Group, a consumer appliance manufacturer, in the acquisition of The Rival Company by tender offer, including over $400 million of high-yield bonds.
- Represented LabVantage Solutions Inc., a laboratory informatics provider, in over $100 million of cross-border financing from Goldman Sachs Specialty Lending Group.
- Advised public companies in all aspects of securities law compliance, including their dealings with insiders, investors, analysts, regulators, and the media.
- Chairperson of ArentFox Schiff’s Opinion Committee since 2021.
